incREDible

Admin features

Add a new member:

- Go to **Admin**.
- Scroll down to **MEMBERS**.
- Tap/click **‘Add a member’**.
- Set their temp password.
- Give them the link (redgroup.app).
- Tell them their password.
- Share the Quick Guide.

Record meeting attendance:

- Go to **Turnout**.
- Select **Attendance Record**.
- Select the meeting date.
- Mark each member/guest; present, absent or subbed.
- No need to save – it's automatic.

View attendance records:

- Go to **Turnout**.
- Select **Attendance Report**.
- Select a date range.
- View each member's attendance stats.

Approve guest requests:

- Go to **Admin**.
- Scroll to **Guest Requests**.
- Approve/deny them.

Pull activity reports:

- Go to **Admin**.
- Choose the filters you want to report on. You can select the current or previous half year, or custom dates.
- Click/tap “**Export XLSX**” to download an Excel/Google Sheets-compatible report.
